A message about this bulletin …

As you know, I have been preparing the four annual community bulletins for Tiferes Israel Synagogue for many years … at least 25, I think.
This year I have decided for a second time to use a less sophisticated format because I am tired and I start to feel the weight of the years.
Don't worry though: most of the usual informations are in this bulletin.

Allow me to send here a strong message of thanks to all who are working to keep our community alive. **David Rinzler** didn't want to renew his position on our board. David has served on the board for many many years. For many of these years he has been the "building committee", making sure that the building was well looked after, often sending his men to do the repairs. Thank you **David** for all what you have done for us. Your wisdom and sense of duty are much appreciated.

And then, there are many others to thank. In the community, we have good souls that are religious, some are not**. It doesn't matter.** What matters is that the person cares about the community and does his/her share to keep it alive.

There are those who come regularly every week. **Toda raba.**
There are those who don't come but care for the building and come to help. **Toda raba.**
There are those who make sure that our website is functioning. **Toda raba.**
There are those who who help our kids have a Jewish instructions. **Toda raba.**
There are those who care for the cemetery and doing the Tahara. **Toda raba.**
There are those who have spent many hours repairing our building. **Toda raba.**
There are those who look after the mikvah, the library, the kitchen. **Toda raba.**
There are those who are active in our committees – don't forget the Yom HaShoah Ceremony is coming soon. **Toda raba.**
There are those who spend time preparing the Kiddushes. **Toda raba.**
There are those who spend time preparing the reading of the Torah. **Toda raba.**

We need more of you – do not hesitate to call me if you have ideas you would want to develop.

PRESIDENT'S REPORT

(Report presented at our last AGM, March 23, 2025).

I have included president's reports in each of the bulletins that were distributed with the holidays. Reports that have been emailed to all members regularly. If you missed them, do not hesitate to go back to these emails.

Today I will simply give some general lines.

First let us have a thought to all who left us in 2024: Goldie Johnston, Harry (Tut) Gorber, Herby Gorber as well as Tut's son, Lorne. Harvey Cohen left us in late December 2023.

There are three things that I care very much about: the life of the community as a religious group, the life of the community has a social and cultural group, the financial health of the group, its capability to face the future and to assure that our physical institutions (the building and the cemetery) remains in good shape.

1. Religious aspect (Gabbai's report).

Yes, attendance was much greater years ago, but we can be pleased to know that we still have regular services every week. Today, I want to thank all those who have greatly contributed to achieve this: thank you to you, the "regulars". You know who you are. The community can be very thankful – without you the spirit of the place would slowly die down.

It would not hurt to have one or two more people joining us for the service, please think of the idea to come at least once a month.

A special thank you to those we can count on to read the Torah or daven for services. Thank you **Eitan, Arik, David, Mihael, Rowen** and **Theodore.**

Kiddushes are an important part of the services, they helped create a social bond between participants. Thank you, **Carole, Shayna, Avigail** and **Victoria.**

2. Social and cultural aspects

Many Jewish Israeli families have settled in the area. Some have joined the synagogue, not all. The board has discussed ways to bring people together and see if various projects could be organised for everybody: courses, Jewish events, cultural projects etc. Several projects have been successful; Lag Ba'Omer, Shavuot in the field, Summer picnic, ceremony for the anniversary of October 7 etc. But more work had to be done. I am hopeful that the new board will be working on this. We need ideas from all of you. Please become involved so our future will look bright.

3. Building and investments

The board is doing its utmost to make sure that the community remains in good shape financially. We have placed our reserve money very prudently. At the same time we want to make sure that the building is safe. It will be 100 years old in 2026. We did a few repairs last year and more must be done. Luckily, we were able to get 10 grands in 2025 and again this year from Heritage Moncton. Talking about the 100th anniversary coming, we will soon prepare a plan to organize it and I hope you will accept to become involved. Thank you.

Talking about the building, I want to recognize two persons who have been extremely helpful : Toda raba **Timothy Davis** and **Olivier,** and thank you Tim for watching the door every Shabbat.

As we are starting a new year, I want to thank all the 2024 board members. Thank you, **Betty, Rhonda, Alina, Jordan, Theodore, Carole, Irwin, David, Leigh** and **Victoria.**

The schedule of services for Pesach has been computed in the table below.

However we do realize that the attendance might not be very high and we might not have a minyan for the four morning services.
We will not ask someone to prepare the reading of the torah unless we are sure that there will be a minyan.

Therefore, if you intend to be in the synagogue any morning of

- **April 13 (Sunday)**
- **April 14 (Monday)**
- **April 20 (Sunday) Yizkor**

please let us know by calling 506 899 1146 or writing an email to weilfr@gmail.com
Please do so A.S.A.P. Thank you.
